

Dear Uncle Velvad,

To this day, I haven't forgotten what you did to me and my father. You stole so much from him.

HE RAISED YOU! All you did was take all of the claim and fame that belonged to him.

He never-not once-despised you. Unfortunately for you, I took over his share of hatred.

I hope you rot and I hope it is because of me.

Sincerely,  
Timothy Lang
